About

I'm a fresher and a first-year B-Tech student in Electronics and Communication Engineering (ECE) at KLH, Hyderabad. I have a strong interest in Artificial Intelligence and coding, and I love building cool things with code. Right now I'm learning Java to make my coding fundamentals strong, and I'm improving my proble...

About

Myself Aryan Sudeesh, a B.Tech student at KL University specializing in Artificial Intelligence and Data Science. I'm deeply passionate about exploring how AI can revolutionize industries and improve human life through intelligent automation and data-driven insights.Currently, I'm learning Java to strengthen my programming foundation and enhance my understanding of object-oriented concepts that power modern AI systems. My academic journey is focused on mastering the intersection of data, algorithms, and innovation.I aspire to become an entrepreneur in the AI field, creating solutions that combine creativity and technology to solve real-world problems. My vision is to build impactful AI-driven products that empower people and businesses to make smarter decisions.

About

I'm a first-year ECE student at KL University, Hyderabad. I got into engineering through space: school quizzes, a rover design competition, and a lot of reading on astrophysics. Since then I've moved into hands-

on work, mostly Arduino projects like an obstacle-avoiding rover I built. I placed 2nd at the IIIT Hyderabad ...
